FEBRUARY 2015

PRESIDENT'S REPORT

Welcome back to all our returning players and a warm welcome to our new players for the 2015 season. This year our Club again has 33 teams competing in the STNA Junior Rosters, Premier League and ANZ Statewide League Rosters.

Thank you to the hard work undertaken by so many in selections last year. With such a large Club a lot of hard work is undertaken behind the scenes to prepare for the 2015 season ahead. Many people gave up many weekends leading up to Christmas to ensure teams were ready for 2015.

Our ANZ Statewide teams commence their season in February and I encourage everyone to come along and cheer along our girls. Details are in this newsletter.

A big congratulations to Alex Vinen who has been granted a TIS Scholarship and to Elise Barwick who is part of the Summer Excellence Program. Both girls have this year stepped up to be selected in the ANZ Under 19 side and we wish them every success with their netball futures.

Good luck also to our players who have been selected into the DADA "Develop a Diamond" Academy and commence training very soon. This is the Pathway to the Under 15 State Team and we wish you every success.

Our Board of Management has two vacancies. We are seeking the services of a Sponsorship/Marketing Officer. This is a vital role on our Board and we are hoping somebody out there with this expertise might like to join our team. Also we have a vacancy for a Junior Board member which is a great way for a Junior Player to have a say in the future of their own Club.

Our Club is also looking for interested people to join our Junior Sub Committee. Please contact elizabeth_downward@bigpond.com if you are interested in any of the vacancies listed.

Please note the dates and information in this Newsletter and remember to visit www.crippswaratahnetball.org.au for the most up to date information.

Good luck for a great Season ahead!

Elizabeth Downward
President

COACHING NEWS

Good luck to all our teams as they commence their preseason. More news to follow on coaches meetings and forums throughout the year

The club has a total of 33 teams again this year and whilst our numbers remain high, we are proud to be able to support women and juniors play the sport they enjoy and are willing to learn.

Narelle (rnmonk@bigpond.com) and Caz (crippscoachplayerdevelopment@gmail.com) are there to provide support during the season.

The Club is still in need of one coach to support the 5th grade team. If you feel you would like to take on this team, please contact Carol-Anne (crippscoachplayerdevelopment@gmail.com), it's a rewarding role to play and there will be plenty of support for anyone coming on board.

UNIFORM NEWS

Uniforms will be available for collection on Registration Night (Thursday, 19th of February). Full payment is to be made before uniforms can be given out. You can pay on the night or you can direct deposit from now using the same account details as given under Registration Details 2015 (include Surname and that it is for Uniform) but you must email Elizabeth at elizabeth_downward@bigpond.com and let her know you have paid for your uniform and also print your receipt and bring on the night as proof of payment.

There will be plenty of socks for sale on the night if you wish to purchase some and there will be the final sale of old style shorts available as well.

Remember white socks and our Cripps shorts are compulsory and your coach will not allow you to take the court if you are wearing other black shorts or black/coloured socks. Black ankle braces are permitted.

WORKING WITH CHILDREN CHECK

All coaches aged 18/over must apply through Service Tasmania for this mandatory check.

It costs \$17.76 (self funded) and takes only a few minutes to complete your details, take your completed application to a Service Tas shop, pay your \$\$, get your photo done and await your ID - it's that simple.

This is a national law effective 1st April 2015 therefore no exceptions.

Please provide a copy of your ID card when you receive this to either Narelle or Carol-Anne.

2015 ANZ STATE LEAGUE

The ANZ State League (formerly known as TNL) season is about to commence with a Gala Weekend on 7th & 8th February at Aurora Sports Stadium. The season will continue for 21 games being played across the State.

Our Senior team are the reigning premiers, with our 19's runners-up, and both teams are looking to continue to build on their great 2014 seasons

Our Senior team has seen some changes to their line up including that of the Coach as incoming coach Rosalie Navickas steps up to the senior role, Aaron Pidgeon will remain supporting Rosalie throughout the season.

Ellie Grace has departed for university in QLD, however stepping up from 19's is Maddi Grace, who will provide court coverage across the mid court. Whilst the defence end has seen Kirra Parsons take a year off and AJ Gough return to the north of the state, our Senior side has recruited well with experienced defender Briana Rimon making a welcome return, teamed with Olivia French who has stepped up from 19's, Jess Parsons and Georgia Downward, our defence look well equipped to rattle the opposition goalies.

Our goalies remain unchanged and will definitely look to continue their strength in this area of the court.

We encourage all supporters to attend as many matches as possible this season starting next weekend - see the Club website for full details of each round.

Juniors on the Move

Alex Vinen - Sate league 19s player has been awarded a TIS scholarship and continues to work on developing her game. As a first time player to the 19's this season, we are looking forward to seeing Alex make the transition from juniors to senior competition.
